DHANAMANJURI UNIVERSITY

Dhanamanjuri University (D. M. University) has come into existence during the current year under “The Dhanamanjuri University Act, 2017” which came into force on the 6th of April, 2018 through a notification in Manipur Gazette published by the Department of Higher and Technical Education, Government of Manipur. “The Dhanamanjuri University Bill, 2017” was passed on the floor of Manipur Legislative Assembly on 3rd August, 2017. The University was established under the National Scheme of Rashtriya Uchchar Shiksha Abhiyan (RUSA).

Dhanamanjuri University is a long cherished dream of our founding fathers and Maharani Dhanamanjuri, the Mother Spirit in the birth of this seat of learning, translated into action. Manipur, an ancient Kingdom, had a composite traditional system of education in the field of warfare, martial arts, games and sports, culture and many other schools of thought training the people in various professional activities in ancient forms. The people have carried down this legacy of quest for knowledge and civilized existence since time immemorial. Ancient works of knowledge in the original scripts of Manipur stand as testimony to the nurturing of the idea of a University in the minds of our forefathers and foremothers. The state has celebrated the tradition of a purely intellectual pursuit which conserves the original ethos of the land and its people while receptive with an open mind to change in course of time.

The University under the national scheme is built up of five constituent colleges, namely, Dhanamanjuri College of Science (D.M. College of Science), Dhanamanjuri College of Arts (D.M. College of Arts), Dhanamanjuri College of Commerce (D.M. College of Commerce), Ghanapriya Women’s College (G.P. Women’s College) and Lairenmayum Sheibyashachi Law College (L.M.S. Law College), all of which occupy common, adjoining or neighbouring physical spaces.

Dhanamanjuri University is situated at the heart of Imphal City and the campus is bounded by National Highway No. 2 in the East, Thangmeiband Road in the West and North, and the Naga River in the South. Ghanapriya Women’s College is located at the South West of Kangla, the Old Palace of Manipur near the Raj Bhavan and L.M.S. Law College is located just in front of the University campus crossing the National Highway No. 2.

GENESIS OF THE GHANAPRIYA WOMEN'S COLLEGE

Establishment of the Ghanapriya Women's College, Imphal popularly known as G.P. Women's College is associated with the advancement of women's education in the state. With a view to encourage women's education in Manipur in public interest, Government Girls' College, a premier institution exclusively meant for women, was established by the State Government bifurcating the erstwhile D.M. College in 1964 and the session in the same campus. Shri Hidangmayum Dwijamani Dev Sharma, a leading educationist of Imphal, donated a sum of Rs.1 lakh for the Institution and Government Girl's College was renamed as The Ghanapriya Women's College, Imphal after the name of the donor's mother, Hidangmayum Ghanapriya Devi.

The Ghanapriya Women's College was then shifted to the present campus in the old Lambulane, Jail Road, in the vicinity of the Raj Bhavan, Manipur after a period of 10 years in 1974 with a specific plan and vision of the State Government in order to separate the premier institution from D.M. College, Imphal. The present campus of the D.M. College of Arts, Imphal was originally the campus of The Ghanapriya Women's College, Imphal. The foundation stone of the Ghanapriya Women's College, Imphal was laid by Shri D.R. Kohli, Lt. Governor of Manipur on 11 January 1972 and the institution was inaugurated by Shri Yangmaso Shaiza, Chief Minister of Manipur on 14 August 1974. Many eminent academicians, scholars and sports persons, etc. have been produced by the institution so far. The college imparts undergraduate courses in different science and arts subjects. In 2016, G.P. Women's College started imparting Post-graduate courses in Life Sciences (Botany and Zoology). Since 2018, the college is offering Post Graduate Courses in 12(Twelve) Departments under Dhanamanjuri University. Ph.D. programmes are also undertaking in many subjects. The college had been accredited B Grade by the NAAC (National Assessment and Accreditation Council, an autonomous body established by the University Grants Commission) on May 21, 2006 and reaccredited with CGPA of 2.01 on four point scale at B Grade on November 15, 2015.
